Topic	End of Support for Windows XP
Problem	After 12 years, support for Windows XP ended April 8, 2014. There will be no more security updates or technical support for the Windows XP operating system. After April 8, 2014, Microsoft will no longer provide security updates or technical support for Windows XP.
ABV Support	ABV can no longer support technical issues related to an obsolete outdated and Microsoft abandoned operating system.
Customers Recommended Actions	Customers who wish to continue to make use of previously purchased mobile video solutions and mobile video camera systems are encouraged to upgrade their now abandoned Windows operating system XP for a newer version supported by Microsoft, such as Windows 7, or Windows 8.
